Poundbury is an experimental new town or urban extension on the outskirts of Dorchester in the county of Dorset, England. The development is built on land owned by the Duchy of Cornwall. It is built according to the principles of Charles, Prince of Wales, who is known for holding strong views challenging the post-war trends in town planning that were suburban in character.

Architectural design values make up an important part of what influences architects and designers when they make their design decisions. However, architects and designers are not always influenced by the same values and intentions. Value and intentions differ between different architectural movements. It also differs between different schools of architecture and schools of design as well as ...
