Hi Simone, thanks for your comment and hope you like using my patterns. I'd love to hear how you get on. I did think about a very fitted 50's style trouser pattern tutorial! but as there are sooo many body shapes and fitting skinny pants can be a real pain it would be more a book than just a tutorial-so I decided not to.

In sewing and fashion design, a pattern is the template from which the parts of a garment are traced onto fabric before being cut out and assembled. Patterns are usually made of paper, and are sometimes made of sturdier materials like paperboard or cardboard if they need to be more robust to withstand repeated use. The process of making or cutting patterns is sometimes condensed to the one ...
