Contemporary ballet is a genre of dance that incorporates elements of classical ballet and modern dance. It employs classical ballet technique and in many cases classical pointe technique as well, but allows greater range of movement of the upper body and is not constrained to the rigorously defined body lines and forms found in traditional, classical ballet.

Modern dance is a broad genre of western concert or theatrical dance, primarily arising out of Germany and the United States in the late 19th and early 20th centuries.. Modern dance is often considered to have emerged as a rejection of, or rebellion against, classical ballet.Socioeconomic and cultural factors also contributed to its development.
