

cooperative research and development pdf

In the United States, a cooperative research and development agreement (CRADA or CRDA) is an agreement between a government agency and a private company or university to work together on research and development.

Cooperative research and development agreement - Wikipedia

The Cooperative State Research, Education, and Extension Service (CSREES) is an extension agency within the U.S. Department of Agriculture (USDA), part of the executive branch of the federal government. The 1994 Department Reorganization Act, passed by Congress, created CSREES by combining the former Cooperative State Research Service and the Extension Service into a single agency.
