Statistics 4th Edition By David Freedman PDF

I was a student of David Freedman's and I am now a professor in Biostatistics and Statistics at Berkeley. Speaking at David Freedman's memorial is at once one of the hardest and easiest things I have had to do. Hardest, because I miss David dearly and because I remember him as a very private and reserved person.

If you want to learn the ins and outs of statistics, this is the book for you. One wonders why exactly you would have such a desire, but that might just be too much information! This book is extremely well-written, and is designed for those (people like me) who don't have much in the way of advanced mathematical skills.
