1 The History of Marketing Thought This reading assignment is from Dr. Chuck Hermans' PhD work. He is a professor at Missouri State University and granted permission to use it for this course on health marketing.

The History of Marketing Thought

Thought encompasses an aim-free flow of ideas and associations that can lead to a reality-oriented conclusion. Although thinking is an activity of an existential value for humans, there is no consensus as to how it is defined or understood. Because thought underlies many human actions and interactions, understanding its physical and metaphysical origins, processes, and effects has been ...
