The future of soft power in US foreign policy 11 Leadership matters in foreign policy. States follow their national interests, but different leaders help to define national interests in different ways. For a powerful state such as the USA, the structure of world politics allows degrees of freedom in such definitions.

### **Soft Power and US Foreign Policy: Theoretical, historical**

the United States develop and implement foreign policy. “International politics, like all politics, is a struggle for power.” Hans J. Morgenthau “Human rights is the soul of our foreign policy, because human rights is the very soul of our sense of nationhood.” Jimmy Carter
